LCD STAND SCULPO

Where high-end design meets technology, this stand was conceived to promote digital collaboration. Mobile but stable, easy to move around and to use in different contexts, this sound-absorbing panel provides a quieter environment and ensures better communication.

- 20mm PET material with acoustic properties
- Eco-friendly & fire-retardant panel
- Push-pin surface
- PEFC certified beechwood
- Metal structure with epoxy coating
- With handles and wheels for easy mobility
- VESA included
- Hidden cables

This elegant stand is suitable for LCDs up to 65" (the recommended size is 55"). VESA installed. LCD not included.

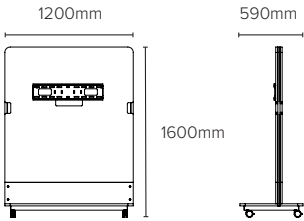

Robust metal and PEFC certified beechwood structure. Sound-absorbing PET panel with a push-pin surface. The cables are carefully hidden within.

With wheels and handles, it's easy to move the stand around. Ideal for a flexible workplace, fits in open spaces and meeting rooms.
